PRESS BOX

Due to lack of space, accommodations in the press box will be furnished only to representatives of Pittsburgh papers, and from metropolitan papers filing for Sunday editions, press services, Pittsburgh radio and TV sports commentators, and scouts from schools playing either Pitt or its opponent. Requests should be made in advance, indicating whether or not Western Union services will be needed during or after the game. Those coming to the press box, to avoid climbing hills, should have cabs take them to Gate #23. This is located behind Pennsylvania Hall of the School of Medicine.

PRESS COMPLIMENTARIES

The University extends the privileges of press complimentary tickets to all daily publications in the area. These will be limited to two to each paper. Applications must be received by the Monday preceding the game and the seats will be located in the best available section at the time. A check or money order made out to the University of Pittsburgh for \$1.00 per ticket must accompany all requests. The Athletic Department reserves the right to refuse any request for comps.

It will be possible to purchase additional seats adjoining press complimentaries by enclosing a check or money order made out to the University of Pittsburgh, and note it on your request. The prices of these tickets are \$4.00 for all games except Navy and Notre Dame which is \$5.00.

PHOTOGRAPHERS' PASSES

Sideline passes for photographers will be issued only to Pittsburgh papers and news services, and to the daily papers normally covering the opposing team. Others will be issued to the student publications of the two schools, but they will be limited by the number issued to those in the first mentioned category.

Photographers may work in front of the bench when the occasion demands, if they keep low, but cutline writers must stay behind the line and obey instructions of the officer detailed to the area, who will lift the credentials of any breaking this rule.

Space in the photographers stand is reserved for newspapers in the same manner as field passes, and also for newsreel and game movie cameramen. This space must be requested in advance to insure adequate space.

Field photographers should enter Gate #3. Photographers covering from the stand should use Gate #9.

THE UNIVERSITY OF PITTSBURGH

The University of Pittsburgh is a private, co-educational university located in the heart of Pittsburgh's cultural center, three miles from the business district. Its physical plant contains 37 buildings and covers 106 acres of land, at the center of which is the Cathedral of Learning.

A magnificent Gothic structure of Indiana limestone which towers 535 feet above the streets of the Oakland district, the Cathedral contains classrooms, laboratories, libraries, several of the professional schools, the School of the Liberal Arts, and faculty and administrative offices.

But the outstanding feature of this 42-story building is its 18 International Classrooms, each expressing in material and design the personality of one of the nationalities which has contributed to the building of Pittsburgh.

There are rooms, furnished by Pittsburgh residents, representing England, Sweden, Scotland, Germany, Russia, China, Czechoslovakia, France, Romania, Hungary, Italy, Lithuania, Norway, Poland, Greece, Syria-Lebanon, Yugoslavia and Ireland.

Some of the Rooms are originals, some are recreations, but all were designed by architects from the countries they represent. The classrooms, which exemplify the periods of the highest development of art in these countries, from a time prior to the founding of the United States and of the University, are used daily for teaching in the arts and sciences, but there is no necessary relation between the character of the rooms and the subjects taught in them. The idea is much simpler. It is that youth, preparing for useful lives, shall see concrete evidence of other useful lives, in other times and other lands. In short, the rooms provide an atmosphere for learning.

Altogether, the University has twenty schools and divisions which provide degree programs at the undergraduate, graduate, and professional levels. Enrollment in these various programs numbers 14,223 -- 7383 full-time and 6840 part-time students.

Only 2700 of the University's 9371 undergraduate students, however, are enrolled in the School of Liberal Arts, 900 in engineering and 2264 in the School of General Studies, an evening program designed primarily for the working adult. The rest are distributed among the Schools of Education, Nursing and Pharmacy.

The School of General Studies holds classes for an additional 1000 students each term in its Community Series of Informal Courses and Lectures. These non-credit courses are planned especially for members of the community who desire to keep abreast of the times and continue learning in a university atmosphere without formally seeking a degree.

Within the next few years, enrollment should expand substantially with the establishment of four regional campuses. Johnstown Center, 80 miles from the main campus has been operating since 1928 and now enrolls 877 students.

Students are instructed by the University's 994 full-time faculty members -- of whom 72 per cent are Ph.D.'s -- and by the 450 part-time teachers from the city's business and professional life. The school's administration is handled by the Board of Trustees, the Chancellor, and an administrative staff of vice chancellors, assistant chancellors, deans and directors.

The University also performs many public services through its affiliated research, educational, and administrative centers. It administers an important health center, which provides Western Pennsylvania with 50% of the physicians and surgeons, 90% of the dentists and 40% of the pharmacists, and annually conducts more than \$11 million in contract research programs.

Privately operated and non-denominational, the University is supported by income from tuition and fees, income from endowments, gifts for current operations and special programs, and by special appropriations from the Commonwealth of Pennsylvania.

The main library at the University is spread

out over five floors and basement of the Cathedral. In addition, there are 14 departmental libraries located on campus. Combined volumes total 977,858 with an annual increase of 33,000 volumes.

The University is currently involved in a \$131 million expansion program which includes a central library, Social Professions Quadrangle, radiation lab, a triple tower dormitory, a fine arts building, and a three-unit gymnasium including an Olympic-sized swimming pool.

What combines these schools, these people, these activities into a single unit is a philosophy of education -- a commitment to excellence.

The University's guiding principle toward this goal is the concept of totality, the conviction that a modern university must be an organic entity if it is to play an effective role in society. As Chancellor Edward H. Litchfield stated in his inaugural address, the University has five major obligations to its students, to the community, to society in general and to higher education: 1) the imparting of knowledge, 2) the discovery of new knowledge, 3) the application of knowledge, 4) the integration of knowledge, and 5) the development of the student as a complete human being.

PREVIEW

Pitt lost 20 lettermen including the entire starting line and two regulars in the backfield from a team which finished with an amazing 9-1 record, the best since 1937, and although 20 monogram winners return, it is doubtful if the Panthers can match this outstanding mark.

As usual, the Panthers will play a difficult schedule which includes opponents from nearly every section of the country.

Coach John Michelosen's biggest problems will be finding capable ends since five have graduated, capable second-team tackles, and replacements for Paul Martha, an All-America left halfback, and fullback Rick Leeson, a starter for three seasons.

Ends Al Grigaliunas, captain of the 1963 team and Joe Kuzneski, the leading pass receiver, were the starters on last year's team. Substitutes John Jenkins, Eugene Sobolewski, and Bob Long will be missed.

Tackles Ernie Borghetti, an All-America selection in 1963, and John Maczuzak, a tremendous performer who didn't receive the praise he deserved, will be difficult to replace. Gerald Cherry, a reserve, is gone.

Regular guards Ed Adamchik and Jeff Ware, a good linebacker, are gone. Center Charles Ahlborn, who played mostly on offense, has graduated.

In the backfield, Glenn Lehner, who played just on defense, is the only quarterback gone.

Martha, the leading scorer on the 1963 squad, will be the most difficult player on the team to replace. Bob Roeder, his substitute, will be missed.

John Ozimek and Ray Conway, two substitutes, are the only right halfbacks who were graduated.

Leeson, the greatest ground-gaining fullback since Marshall Goldberg, will be missed because of his running and defensive ability, and extra

point and field goal kicking. His field goal defeated Penn State, 22-21.

On the bright side of the ledger, Pitt should be strong at tackle as far as the starters are concerned, in the middle of the line, quarterback, and right halfback.

Ends Bill Howley, an excellent pass receiver, and John Verkleeren, a junior, were the starting ends at the conclusion of spring practice. In the spring game, Howley scored two touchdowns, one on a kickoff return. Brian Generalovich, who was an all-state tackle at Farrell High School in 1959, is playing football for the first time in five years. He was moved to end and should help this position in 1964. Mitchell Zalnasky, a junior, and Mike Rosborough, a sophomore, will be on the second unit at the beginning of fall practice.

Jim Jones and Ron Linaburg, the second-team tackles in 1963, will be the regulars this year. Dennis Bernick, a senior who has yet to earn a letter, and John Schmidt, a sophomore, were the second teamers as of the end of spring practice. Michelosen feels the developing of replacements for Jones and Linaburg is one of his biggest problems. Al Keiser is a top flight sophomore.

The guards look strong with five letter winners returning including Ray Popp, who will be one of the best linebackers in the country in 1964. Bernie LaQuinta, who came to Pitt as a fullback, will be the other starting guard. Jim Irwin should see most of his action on defense. Although Joe Novogratz did not win a letter in 1963, he was most impressive in spring practice. He should be an outstanding guard especially on defense. Ron Cimino, a junior, and Tom Qualey, a sophomore, should see action. Bob Soroachak, who was hampered by an injury last year, will help.

At center, Paul Cercel will play offense and Marty Schottenheimer defense. The latter is an excellent linebacker. Fred Hoaglin, a junior, will be the main replacement.

In 1963, Pitt broke two team records. The Panthers had a total offense of 3,772 yards and a passing offense of 1,470 yards. The big reason for

the establishing of these two records was quarterback Fred Mazurek who broke the school record for total yards by an individual in one season by rushing for 646 yards and passing for 949 yards for a total of 1,595 yards.

As long as Mazurek is in the lineup, Pitt is capable of scoring against any team in the country.

Kenny Lucas who passed for 436 yards including five touchdown passes last year ran with the first team in spring practice because Mazurek was playing baseball.

The sophomore quarterbacks to watch are Pete Smith, Joe Pohl, and Ed James.

Dale Stewart who had an injured hand last year will be the first team left halfback. Stewart looked outstanding in spring practice and should have a banner season. Sophomore Dewey Chester, a speedster, and Jim Dodaro, a junior, will be fighting it out for the second-team berth.

Bill Bodle, a regular in 1963, and Eric Crabtree, give Michelosen experience and ability at right halfback. Bodle participated in spring practice although some of his time was spent with the baseball team. Bodle was the fifth-leading rusher on the team with 174 yards and was third in pass receiving with 17 receptions for 183 yards. Crabtree led the team in interceptions, three, and the recovery of opponents' fumbles, three. Crabtree finished on the first team at the end of spring practice. Ed Assid will be the number three right halfback.

Fullback Barry McKnight, who played just 48 minutes last year, will start fall practice on the first unit. Jim Flanigan, the best looking sophomore on the squad, will be his replacement. Carmen Sporio, a junior, will be the third-team fullback. Peter Billey, a two-year letterman at left back, missed the 1963 season because of an injury to his hand. He will be used at fullback and sometimes at left half.

Billey and Tom Black will handle the punting and Jones is expected to kick the field goals and extra points.

Michelosen, whose nine-year record is 50-37-5, will use the "T" formation and will stress the roll-out as long as Mazurek is in the lineup.

For a number of years, the biggest problem of the Pitt team was speed. Although the 1964 team won't have the overall speed as last year's squad did, especially in the offensive line, it will be better than it has been in other years since Michelosen became head coach in 1955.

As usual, the schedule will be tough and the ten opponents will be UCLA, Oregon, William and Mary, West Virginia, Miami of Florida, Navy, Syracuse, Notre Dame, Army, and Penn State. William and Mary and Oregon are new opponents, replacing Washington and California.

The Blue and Gold will be a well-conditioned, hard-hitting team both on offense and defense. Nevertheless, a duplication of last year's great record would be a miracle. Still, as long as Mazurek remains in the lineup, Pitt will score.

U.C.L.A. - September 12

Pitt Stadium

Kickoff 1:00 E.D.T.

Location: Los Angeles

Stadium: Los Angeles Memorial Coliseum
(101,573)

Coach: Bill Barnes (Tennessee) -- 6th season
25-24-2 record

System: "T"

Nickname: Bruins

Pitt will be meeting UCLA for the seventh time. The Panthers lead in the series, 4-2. The underdog has won in 1958, 1960, and 1962. These teams do not meet next year. Pitt visits UCLA in 1966.

Last year, UCLA finished with a 2-8 record but pulled one of the biggest upsets of the season by defeating Washington, 14-0. Two of the Bruins' defeats were to teams in the first five. They were Pitt and Illinois.

Coach Bill Barnes has 28 lettermen returning including end Kurt Altenberg, quarterbacks Larry Zeno and Steve Sindell, and halfback Byron Nelson. Twelve letter winners are gone including end Mel Profit, quarterback Carl Jones, and guard John Walker.

Top sophomore prospects include tackles John Richardson and Eric Taylor, guard Rich Deakers, and halfbacks Ray Armstrong and Steve Durbin.

1963 Scoring

First Quarter

Pitt drives 48 yards in seven plays the first time it has the ball.

The biggest gainers are a 17-yard pass from Mazurek to Martha and a 13-yard run by Mazurek. Martha goes four yards inside right end for the score.

Leeson converts.

ATHLETIC DIRECTOR

FRANK CARVER

Frank Carver, 55, was named Athletic Director of the University of Pittsburgh on December 1, 1959.

The Beaver resident began his association with the University when he enrolled as a freshman in 1927. He was graduated in 1931, after having worked his last two undergraduate years in the position of student assistant in the sports publicity office.

He began as full-time sports publicity director in 1931, and devoted part of his time during the 1930's to work in the University News Service.

In December of 1941, a few days before Pearl Harbor, Carver took over as head of the physical education and the intramural program at the University, and later doubled as an instructor in physical education.

Early in 1943, when the Air Force began to send air cadets to Pitt, Carver was placed in charge of their physical education training program. That same year Carver himself entered the service as a member (as a draftee) of the Air Transport Command.

After being discharged from the service at the end of 1945, he returned to the athletic department and also served in the office of the dean of men.

When Athletic Director James Hagan left the University in June of 1948, Carver was appointed acting director of athletics and served in that position until Captain Tom Hamilton arrived in February of 1949, when he was appointed graduate manager of athletics.

When Hamilton resigned in the summer of 1959, Carver again was appointed acting athletic director until named athletic director a few months later.

Carver is currently serving on four councils of the Eastern Collegiate Athletic Conference -- eligibility, finance, accelerated programs, and press liaison. He is also a member of a special committee in charge of keeping gambling away from intercollegiate athletics.

As president of the Eastern Intercollegiate Wrestling Association, Carver is a member of the United States Olympic Committee.

Carver is presently a member of the Executive Committee of the National Collegiate Athletic Association.

HEAD COACH

JOHN P. MICHELOSEN

John Michelosen, 48, who took over the head job at Pitt after the 1954 season, came to Pitt from Ambridge High School, where he played under Moe Rubenstein, in 1934.

He moved into the varsity quarterback position in 1935 as a sophomore and retained his job for three years, operating as the blocking back and field general on offense and as a linebacker on defense.

He captained the 1937 team, and in his three years on the varsity the Panthers lost only two games, were in four scoreless ties, and defeated Washington, 21-0, in the Rose Bowl on January 1, 1937.

He was an assistant backfield coach at his alma mater in 1938, and moved to Brooklyn in the National League as backfield coach to Jock Sutherland in 1940 and 1941.

He entered the Navy in 1942, serving at Iowa Pre-Flight under Bernie Bierman that year, then going with the Atlantic Fleet from 1943 until mid-1945. With the shooting over he was assigned to Corpus Christi, where he served as football coach along with Johnny Vaught. He returned to Pittsburgh as assistant coach of the Pittsburgh Steelers in 1946. When Sutherland died in 1948, Michelosen took over as the youngest head coach in the league.

He rejoined the Pitt staff under Red Dawson in 1952.

He is married and has three children, two boys and a girl.

In the first two seasons as head coach, Michelosen guided Pitt to two bowls and one Eastern championship. His nine-year record is 50-37-5. Eleven of these defeats were to teams which finished in the Top Ten including two defeats in bowl games. Two teams were named number one by the Football Writers of America.

The 1963 team finished with a 9-1 record, the best since 1937.

J. CLYDE BARTON

(Assistant to Athletic Director)

J. Clyde Barton, a graduate of the University of Pittsburgh, joined the athletic department in 1960 after being Alumni Secretary since 1945.

During the last year, Barton has assisted Athletic Director Frank Carver in reorganizing the Lettermen's Club. He also has worked in promoting ticket sales to Pitt athletic events.

He was graduated in 1926 and was the recipient of the George Wharton Pepper Prize. He received his Masters of Letters in 1938.

Barton is married and has one boy.

ASSISTANT COACHES

LOUIS "BIMBO" CECCONI

(Offensive Backs)

Louis "Bimbo" Cecconi came to Pitt from Donora High School in 1946 to become one of the school's greatest players.

In his four years at Pitt he played both quarterback in the winged-T and left half in the single wing, both completely to the satisfaction of his two coaches, Wes Fesler and Mike Milligan.

Weighing less than 160 pounds and standing only five-nine, Cecconi became one of the smartest quarterbacks and most dangerous runners and passers in Pitt history. From the moment that he took over the team in its opener in 1946 and passed and ran the Panthers to a halftime tie with Illinois' Rose Bowl champions in his first college game, he captured the imagination of the crowd and the respect of his teammates.

He specialized in coming up with the key play, a long punt return, an interception, a last second TD pass, the clutch run for big yardage when apparently trapped.

Despite his size he made his mark with the basketball team as well, being a letterman for four years.

Upon his graduation in 1950 he was assistant coach at Donora High School for one year, then entered service. He spent one of his two years with the Infantry in Germany, then came home to take the head coaching job at Sharpsburg.

Prior to Cecconi's arrival, Sharpsburg had won only ten games in seven years. He won six his first season, and his overall record was 27 wins against 12 losses, and 6 ties.

He was as successful in basketball, taking his team to the Class B playoffs in 1954 and 1958. He came to Pitt in the summer of 1958.

In 1956 he received his Masters Degree from Pitt; is married, and has five children, four girls and one boy.

WALTER CUMMINS

*(Assistant to Athletic Director)
(Centers)*

Walter Cummins played his high school ball at Greensburg and entered the University in 1942, playing on the freshman team that year.

Before he had a chance to move on to the varsity, he entered the service and served in the Army for three years before returning to the University.

He was a regular for three years, playing end under Wes Fesler in 1946, and then was an end and defensive center for Mike Milligan in 1947 and 1948.

He worked for his Masters degree in 1950-51, and then joined the staff as assistant freshman coach and assistant to the Director of Athletics in 1952.

■ He helps with the freshman team.

He is married and has two daughters.

CARL DePASQUA

(Defensive Backs)

Carl DePasqua was a great back for Pitt from 1946 through 1949, playing in two different systems, the T and the Single-Wing under Coaches Wes Fesler (1946) and Mike Milligan.

Coming to Pitt as an All-State selection, he was a starting quarterback as a freshman, a halfback as a sophomore, and then a fullback on two winning teams as a junior and senior, all this while weighing 175 pounds.

He served in the Army during 1950 and 1951, playing for the Brooke Army Medical Center at Fort Sam Houston, this outfit going to the Cigar Bowl in 1951.

He returned to Pitt to work off credits for his Masters degree in 1952, and was freshmen backfield coach during this period as a graduate assistant.

He went to Sarnia in the Ontario Rugby Union in 1955, as backfield coach, and then entered in business in Pittsburgh, rejoining the Pitt staff in the summer of 1958.

He is married and has one daughter.

BILL KALIDEN

(Freshman Coach)

Bill Kaliden was a quarterback on the 1956-57-58 Pitt teams. He lettered twice and won one letter in baseball.

He came to Pitt from Homestead High where he was an outstanding athlete and an excellent student. He played little in 1956 but started to come into his own in 1957. However, in 1958, he had his greatest year. He scored two touchdowns against Minnesota to lead the Panthers to their first win over the Gophers. Yet, his brightest moment was against Notre Dame when he scored the winning touchdown on end sweep with just 11 seconds remaining.

As a center fielder on the baseball team in

1959, he was a big reason the Panthers were in the district NCAA playoffs.

Kaliden graduated with high honors in 1959 and was a member of Phi Beta Kappa. He attended dental school but then withdrew. He wanted to become a coach. After six months in the Army, Kaliden returned to Pitt in 1960 to begin work on his M.A. in Education. He received his M.A. in 1963. He assisted Bimbo Cecconi with the freshman team. He was named head freshman coach in 1961.

Kaliden resides with his parents in Homestead.

STEVE PETRO

(Guards)

Steve Petro came to Pitt from Johnstown High School, and played three years as a regular guard from 1936 through 1938.

A volunteer helper during spring drills in 1950, when Len Casanova took over as head coach, he was made Junior Varsity Coach that fall, and then served as assistant line coach with the varsity in 1951.

After graduation he played two years of professional football for Brooklyn, while working for Bethlehem Steel Corp. He entered the service in 1942, serving first with the Air Forces and then in Intelligence. He played football in the service.

Upon his return he went back to the steel industry and stayed out of football until the spring of 1950 when he decided to get his certification in teaching.

He was freshman coach from 1954-1957 and handled the guards in the spring drills. He moved to the varsity staff in 1958.

He is married and has four daughters and one boy.

ERNIE HEFFERLE

(Ends)

Ernie Hefferle returned to Pitt in 1962 after a three-year absence. During that time he coached the pro Washington Redskins and Boston College for two years. Prior to those years he had been with Pitt since 1951.

Hefferle, a native of Herminie, played his college football at Duquesne, where he caught a long pass that won the Orange Bowl game from Mississippi State in 1937.

He coached at South Huntingdon Township from 1937 through 1940, where his teams won 25, lost 10, and tied 4.

He took a three year leave of absence in 1942 to serve in the Navy, coming out as a Lieutenant. Then he coached at Tarentum from 1946 through 1950.

He has a Masters degree from Pitt, and is past president of the Western Pennsylvania Football Coaches Association.

A SHORT RESUME OF PITT FOOTBALL

Pitt football began when the University was known as the Western University of Pennsylvania in 1890, but the Panthers did not begin their march into the front line powers for another decade.

In 1904 the Western University of Pennsylvania eleven, had its first winning streak. Sparking this team was Joe Thompson, World War I fame.

He took over as coach after his graduation, and in 1910 turned out an undefeated, untied, and unscored on eleven.

In 1914 under Joe Duff, brother of the former U. S. Senator, the Panthers prepared for the event of Pop Warner, by losing only one game.

Not until mid-1919 did the Blue and Gold bow in intercollegiate competition. Thirty-two consecutive victories were recorded.

The 1916 Pitt team turned up with an innovation, for which millions of football fans have since given thanks. In addition to being undefeated, the Panthers, under Warner, were the first to wear numbers.

During this period the first All-America appeared. Bob Peck in 1915 and 1916, and rated as one of the great All-Time All-Americans at center, Tom Davies, at halfback and Leonard Hilty at tackle in 1918 were some of the stars of the era.

Famous then, and more famous later, players were a big Scotch guard by the name of Jock Sutherland; the 1917 captain and end, now Dr. H. C. Carlson, for 31 years head coach of basketball at his alma mater; and Tiny Thornhill, who went on to coach Stanford's Rose Bowl teams.

Perfect seasons were out after 1919, but they still were winning years. Herb Stein, a center, joined the list of All-Americans, and Harvey Harmon played a lot of tackle.

In 1924, Jock Sutherland began a 15 year regime, which started slowly but ended with the Panthers ensconced among the mighty.

Only 20 games were lost during this period, and another 11 were tied. Eastern titles came in 1925, 1927, 1929, 1931, 1932, 1934 and 1937. Four times the Panthers showed in the Rose Bowl, winning the final game in 1937 against Washington.

All-Americans during the period were Ralph Chase in 1925 at tackle, Gibby Welch at halfback in 1927, Mike Getto at tackle in 1928, Ray Montgomery at guard and Joe Donchess at end in 1929, Jess Quatse at tackle in 1931, Warren Heller at halfback in 1932, Joe Skladany at end in 1933, Doc Hartwig at guard and George Shotwell at center in 1934, Averell Daniell at tackle in 1936, Marshall Goldberg at halfback and Tony Matisi at tackle in 1937, and Goldberg and Bill Daddio at end in 1938.

On the All-America rolls since Sutherland were Ralph Fife in 1941, Bernie Barkouskie, in 1949, and Joe Schmidt, in 1952, all guards; Eldred Kraemer, a tackle in 1952, Joe Walton, a unanimous choice at end in 1956, guard John Guzik in 1958 and end Mike Ditka in 1960.

Sutherland left in 1938 and the Pitt power fell off for the next ten years. Charley Bowser was succeeded by Clark Shaughnessy who held sway during World War II. Wes Fesler brightened the picture in 1946, and was followed by Mike Milligan who turned in the first winning teams of a decade in both 1948 and 1949.

When Milligan resigned in 1950, Len Casanova came in to take over for that year, but left the following summer. In 1951 Athletic Director Tom Hamilton took over as head coach, and then in January of 1952 Lowell Dawson was named.

Dawson won six including Notre Dame, Army, Ohio, Indiana and Iowa among the victims, and lost three.

In 1954 ill health caused him to give up football coaching in mid-season, and Tom Hamilton took over as head coach and put the team on a winning basis.

After the season he stepped down to turn the team over to Johnny Michelosen.

A 7-3 record, featuring decisive upset wins over Duke at Durham and over West Virginia before a capacity crowd in Pittsburgh, brought a Sugar Bowl invitation, and a close defeat by Georgia Tech at New Orleans that didn't hurt the Panthers' national ranking.

The Panthers went to the Gator Bowl in 1956, after a 7-2-1 season, and again lost to Georgia Tech 21-14.

In 1957, Pitt was 4-6, in 1958, 5-4-1, in 1959 finished with a 6-4 record and had a 4-3-3 record in 1960.

In 1961, Pitt was 3-7, the most disastrous record since 1951. In 1963, the record was 5-5.

Last year, Pitt finished with a 9-1 mark, the best since 1937. At the end of the season, the Panthers were rated number three in the country.

PITT HALL OF FAME AWARDEES

Thus far the University of Pittsburgh has had two players and one coach elected to the National Football Hall of Fame. Jock Sutherland, a great guard from 1914 through 1917, and Pitt's brilliantly successful coach from 1924 through 1938. He was elected in 1953 among the first coaches named.

In 1954 Bob Peck, Pitt's first All-America (center in 1915 and 1916), was elected as the first Pitt player to have his name placed on the honor roll.

Just recently, Marshall Goldberg, an All-America halfback in 1937, and an All-America fullback in 1938, was elected.

JOCK SUTHERLAND

Dr. John Bain (Jock) Sutherland was a great player and coach at Pitt.

Entering Pitt within a few years after he left his native Scotland he was a regular guard on the great Pitt teams of 1914-1917, teams that lost but one game during the entire period.

Upon graduation, with a dental degree in 1918, he went into the service, coached the Camp Greenleaf Team with the AEF, then came back to the coaching job at Lafayette.

Four years later, in 1924, he replaced Pop Warner at Pitt, and after getting the foundation laid,

put the Panthers back into the first line again.

There were national titles in 1927, 1929, and 1937; eastern honors in 1925, 1927, 1929, 1931, 1932, 1934, 1936, and 1937. Rose Bowl appearances in 1928, 1930 and 1933, climaxed with a win in 1937.

All-Americas were turned out with regularity during this period.

Leaving Pitt in 1939, he coached Brooklyn in 1940 and 1941, then went into the Navy. Upon his return he took over the Pittsburgh Steelers, giving them their greatest days, until his very sudden death in the spring of 1948.

BOB PECK

Bob Peck was Pitt's initial first team All-America, being selected by Walter Camp in 1915 and 1916. In both of these years Pitt was undefeated, and in his sophomore year, 1914, the Panthers lost only one game.

He was captain of the 1916 Pitt team that is rated among the greatest of all time, both at Pitt and in the nation.

Playing under Pop Warner, Pitt's coach during his last two years, he was a terrific roving center of the old variety, and an accurate passing center who could load the speedy Pitt backs on the famous single and double wing attack which Warner was then perfecting.

After his graduation he moved to Culver Military Academy where he was athletic director and head coach until his sudden death in 1934.

MARSHALL GOLDBERG

Marshall Goldberg came to Pitt from Elkins, West Virginia, and for the three years of his varsity career was the most highly publicized and popular back in Pitt history. These three years, coincidental with Jock Sutherland's last three as Pitt's head coach, saw the Panthers win a national title, a Rose Bowl game, and two eastern championships.

In two years as the regular left halfback Goldberg was the leading scorer and leading ground gainer, and then, moving to fullback with the famous

Dream Backfield of 1938, he became a terrific blocker and power back, despite his relative lack of weight (185).

He was a defensive expert during his three years and starred at this phase when he went into pro ball.

On campus he was a member of Phi Epsilon Pi, national social fraternity, and O D K, national honorary leadership society.

Upon graduation he played pro ball and was in the insurance business in Chicago, served nearly four years as a line officer in the navy, and then finished his pro career with the Chicago Cardinals when they won their first title.

He is vice president of the Emmerman Machinery Company in Chicago.

PITT ALL-TIME RECORDS

Individual figures are compiled from official statistical records of each game from 1931 through 1963. Before 1931 they are taken from play by play accounts of game. Team records begin with the 1904 season. Naturally they cannot be 100 percent accurate, but they can stand until someone comes up with a better way.

THE UNIVERSITY OF PITTSBURGH VARSITY MARCHING BAND

The University of Pittsburgh Varsity Marching Band is composed of undergraduate men of the various schools of the University. Since the University curriculum offers no program for the preparation of professional instrumental musicians, all who participate in the band will someday be doctors, lawyers, engineers, dentists, teachers, etc. No member of the band is compensated in any way for his efforts in its behalf. The bandsmen work untiringly for the friendship, companionship, and enjoyment that come from being a part of a great band.

Under Robert L. Arthur, Director of University Bands, with the assistance of Dr. Jack B. Anderson and Ben E. Benack, the band has reached its present level of excellence and has become one of the outstanding collegiate bands in the nation. In its pre-game, half-time, and post-game shows, emphasis is placed upon a big solid musical sound, precision stepping, motivated formations, swinging instruments, and all the sparkle that can be attained at the modern cadence of 160 steps per minute.

The matched gold instruments, blue and gold uniforms with white cross belts, white spats and gloves combined, create an appearance of beauty and uniformity.

In addition to the bandsmen who perform on the field, there are others who attend to a host of duties. A graduate staff of five attend to administrative details while an undergraduate operations staff of six handle all equipment and properties, and the loading and unloading on trips. With this help the band moves with a minimum of confusion.

Prior to the beginning of the fall trimester the bandsmen, directors, drum majors and operations crew move into camp forty miles north of Pittsburgh, near Zelienople, for ten days of intensive training. Fourteen hours a day are spent drilling, learning field formations, practicing music and in plain hard work. The group of men who arrive at camp as individuals return to perform for the

season as an integrated, disciplined marching band. With a two hour practice and drill period on Tuesday and Thursday evenings, and Saturday morning, the band is prepared to present itself in a manner which is "worth watching".

Ladies and Gentlemen: Presenting the University of Pittsburgh Varsity Marching Band!

PITT BASKETBALL

Pitt's basketball team will play a twenty-five game schedule this winter. Just ten of the games will be played at home.

The Panthers will meet Penn State, West Virginia, Carnegie Tech, and Westminster twice. New opponents include Cornell, Massachusetts, and William & Mary. Three opponents played in post-season tournaments last season. They are Temple (NCAA), Syracuse (NIT), and Army (NIT).

Miami of Florida (NIT), V.P.I., and Duquesne (NIT) are entered in the Steel Bowl.

Quintets in the Quaker City Tournament are Illinois, Wichita (NCAA), N.Y.U. (NIT), Holy Cross, Villanova (NCAA), St. Joseph's (NIT), and Penn.

Coach Bob Timmons will be starting his twelfth year as head coach at his alma mater. He has a 149-121 and has guided the Panthers to NCAA Tournaments in 1957, 1958, and 1963, and to the NIT in 1964.

Last year, Pitt finished with a 17-8 record. The biggest wins were over Duquesne, 69-67 in overtime in the Steel Bowl finals, West Virginia, and Temple.
